

FOR IMMEDIATE RELEASE

**ADVANCED PROGRAMS, INC. ANNOUNCES THE RELOCATION OF ITS "NORTHEAST FACILITY" FROM MASSACHUSETTS TO NEW HAMPSHIRE**

**COLUMBIA, MD (September 24, 2009) – ADVANCED PROGRAMS, Inc.**

Advanced Programs, Inc. is pleased to announce the relocation of their New England Office from Tewksbury, Massachusetts to Salem, New Hampshire, effective September 8, 2009. The new address is: Advanced Programs, Inc., 21A Northwestern Drive, Salem, New Hampshire 03079-4809.

"The New England operation has been an important addition to our corporate structure", said Steven Rice, President & CEO of Advanced Programs, Inc. "It has expanded both our engineering and production capacity while maintaining the highest standards for quality, consistency and timeliness that our customers demand. One of our first objectives, after acquiring this operation in 2007, was to find a suitable facility that could be optimized for the important work they are performing today and also for the further growth we anticipate. The new site in Salem provides us with exactly what we were looking for."

Lee Marchman, Vice President & General Manager in the Salem location said, "We are very excited to select Salem as the new home for our Northeast operations. This is a perfect example of great teamwork between the State of New Hampshire's Division of Economic Development and our company. We'd like to thank everyone involved with the search including the many local and state officials who helped guide us through the process. We look forward to supporting job creation in Salem and creating new opportunities for economic growth."

New Hampshire Governor John Lynch noted the following, "We continue to foster a friendly business environment here in New Hampshire in an effort to help existing companies grow, and to attract new businesses and emerging industries. I am pleased that Advanced Programs, Inc. has chosen to move to New Hampshire, which will help to strengthen our important high tech sector. We welcome Advanced Programs and look forward to working closely with them as they gain new customers and become valuable members of the New Hampshire business community."

**ABOUT ADVANCED PROGRAMS, INC.:** Advanced Programs, Inc. ([www.advprograms.com](http://www.advprograms.com)) provides secure computing and networking equipment to the Military/Intelligence Communities of the United States and its allies. The core business involves participation on program teams requiring the design, manufacture, and supply of TEMPEST equipment and services. Advanced Programs, Inc. has been NSA certified for TEMPEST testing and manufacturing for over 20 years. API also provides: mission critical product development, quick reaction capability (QRC), custom packaging for site deployment, systems integration and production services. The company is headquartered in Columbia, MD. API Europe Ltd ([www.api-europe.com](http://www.api-europe.com)) is a wholly owned subsidiary of Advanced Programs Inc. and is located in Chippenham, Wiltshire, UK. It was established to develop additional products and to provide support to API's Reseller Network throughout NATO Europe. Both facilities are ISO 9001 certified.
